PERSONAL HISTORY

The defendant was interviewed on 10/29/86. His sister, Rose Blankenship, was interviewed on 11/22/86. The following personal history is based on their statements.

The defendant was born in Baltimore, Maryland, on 3/24/47, to the legal union of Donald and Idella Carlsen. He was raised by his parents in the Dundalk area. He has three brothers and five sisters. The defendant's father was an alcoholic who beat both his wife and children when drinking. The defendant's sister stated that they were all abused by their father but the defendant was abused the most because he tried to be close to his father. The defendant's father died in 1974. The defendant resided with his mother until his incarceration in the instant offense and will return to the home if released. The defendant has never been married but has a five year old son, James, Jr. The child resides with the defendant's ex-girlfriend. He stated that he pays support when he can and sees his son once per week.

The defendant's sister, Rose Blankenship, described the defendant as an alcoholic who binge drinks. She stated that he will be sober for months at a time and then drink for months. She stated that when sober, the defendant is a warm, goodhearted person but when drunk, he is easily influenced and gets involved with bad people. Mrs. Blankenship expressed the hope that the defendant could get help for his alcoholism in lieu of lengthy incarceration.

EMPLOYMENT

<u>Name & Address of Employer</u>	<u>Dates Employed</u>	<u>Nature of Work & Earnings</u>	<u>Reasons for Leaving</u>

The defendant was very vague about his employment history. He stated that he has been self-employed for the past three years. This could not be verified other than by the defendant's statements.

The defendant also stated that he worked with Mr. Clemtoni from 1976 to May 1986. Attempts were made to contact Mr. Clemtoni by telephone at various times on 11/20/86, 11/21/86, 11/22/86 and 11/24/86. No answer was received at any time so this employment could not be verified.

The defendant has a hearing problem and wears a hearing aid. He also stated that he has asthma but is not currently taking medication for this condition. The defendant stated that he saw a psychiatrist one time in 1978 or 1979, on a referral from court. He could not remember the name of the doctor so this could not be verified.

The defendant admitted to smoking marijuana on one occasion. He denied the use of other illegal drugs. The defendant denied having a problem with alcohol. He stated that he presently drinks once or twice per month and consumes at least 12 beers per sitting. He stated that he drank more in the past. PRE-SENTENCE INVESTIGATION

EVALUATION

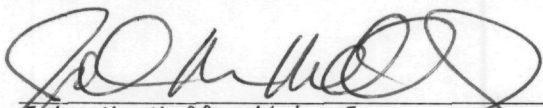

James Carlsen is a 39 year old single male awaiting sentencing by Judge Jacobson of the Baltimore County Circuit Court after being convicted of Assault W/Intent to Disfigure and Assault. The defendant and co-defendant beat the victim about the face and head with a 2" x 4" as he slept in a Dundalk park. The defendant has a long prior record of primarily minor offenses. He has two prior probation before verdicts for Assault. He has been supervised on probation on one occasion and completed the probation.

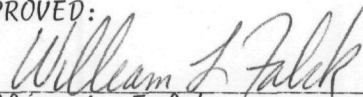

The defendant was physically abused by an alcoholic father. The defendant's father also beat the defendant's mother and the other children. The defendant has never been married but has a five year old son. The defendant was living with his mother and will return to the home if released. The defendant has a 10th grade education and an unverifiable work history.

The defendant suffers from a severe hearing problem. The hearing aid that he wears does not help him a great deal as he had great difficulty hearing this agent's questions during the interview. Most importantly, the defendant is an alcoholic. He has sought treatment in the past without success. He was attending A.A. meetings at the time of the offense but was still drinking. He was drunk at the time of the offense. The defendant claims that his drinking caused him to exercise poor judgment in committing the offense. This error in judgment could have easily been fatal for the victim. The defendant is a danger to himself and more importantly, to others.

RECOMMENDATION

Therefore, it is recommended that the defendant be sentenced to a period of Division of Correction incarceration within the range suggested by the sentencing guidelines. While incarcerated the defendant should take whatever alcohol therapy is available.
